

HOST A HLE FUNDRAISING PARTY

Hosting is easy! Follow these steps to throw your next party...

01

Choose your date + time, theme/activity, suggested donation amount, and guest list (invite your child's entire class, grade level, or open it up to the school at a capped number of attendees).

Email invitations with all necessary details and a link to donate online at highlakes.futurefund.com. Please be clear that while donations are appreciated, they are not required for attending a party.
